Meet Your Ideal Bridal Makeup Artist
Alex!

A little bit about Alex:

Hi there!! I'm a skilled MUA with over ten years of professional experience, specialising in glamorous makeup for all kinds of special events. I'm not only a dedicated wife and mother but also a fighter of the life-threatening illness, Cystic Fibrosis. My passion for makeup artistry has been fuelled by my personal struggles, hoping I inspire others to do the same.

As a professional makeup artist with over 10 years of experience, I have worked with numerous brides. If you're curious, I haven't actually encountered many bridezillas. Most of my brides are calm and eagerly looking forward to their special day, which is why I always enjoy being a part of these unforgettable moments.

I can assist you with your wedding day, making sure that booking your makeup is a stress-free process. You'll leave feeling completely confident with your desired makeup look.

“Think about your wedding day and how you envision your dream look to be? I am here to make that vision come to life”
