Punctuality

Alex will team up to ensure that everyone in your group is ready on time. Alex aims to finish at least one hour before the expected ready time to avoid any delays and stress. Alex will do touch ups before leaving. Please ensure that members of your group are ready to start when we call them.

2

Set up

To ensure a smooth setup process, please provide a well-lit area for Alex work in. Additionally, we need bench space to set up the makeup kit. Thank you!

3

Photos & Social Media

We realise that your group booking may be a special event and that being present in the moment is essential. We will refrain from social media distractions, and only take photographs for our advertising purposes during the day. Rest assured, we will not post anything until after this day unless otherwise spoken about.
